Cup Height No specific requirements
Tray 3 compartments

Triple-Column Cup Management

Three independent columns hold \approx 150 cups with standard 72mm, 80mm and 89mm slots (\pm 2mm variance). Custom sizes (e.g. 62mm) available.

Metal Construction & Custom Finishes

Featuring a metal housing + metal/acrylic cup slots for commercial-grade durability, with standard black finish or custom color options to match your brand aesthetic.

Universal Cup Compatibility

Optimized for paper cups and thick plastic cups of any height without dimensional constraints.

No-Electricity Operation

Manual front-access cup replenishment and dispensing—zero electricity dependency, minimal mechanical failures.

Integrated Accessory Storage

Three-compartment top tray organizes lids, stirrers, straws, napkins—essential accessories always within reach.

Space-Optimized & Stable Design

Compact dimensions maximize capacity in minimal counter space; an 8.5kg robust construction prevents tipping while allowing easy repositioning.
